CERTIFICATION TRAINING

Helping to Get Your Workers Home Safe

We're here to provide your joint health and safety committee members with certification training as required by Ontario law. Our two-part training provides these key individuals with the knowledge, skills and tools they need to help you get your workers home safe at the end of each day.

Why We're Your Best Choice

We provide flexible, convenient and cost-effective certification training that's...

- approved by the WSIB
- exclusively endorsed by CME
(Canadian Manufacturers & Exporters)
- and backed by our expertise

Register for Certification Part One and Part Two training today!

In partnership with:

HEALTH & SAFETY ONTARIO

Health & Safety Ontario (HSO) is the result of a bold move to reorganize the independent efforts of 12 health and safety associations into four streamlined organizations to better serve more than 236,000 Ontario businesses.

HSO is comprised of: Infrastructure Health & Safety Association, Public Services Health & Safety Association, Workplace Safety North and Workplace Safety & Prevention Services. www.HealthandSafetyOntario.ca

WORKPLACE SAFETY & PREVENTION SERVICES

Workplace Safety & Prevention Services (WSPS) provides industry-specific health and safety products, training and consulting services to 154,000 businesses and 3.8 million employees in Ontario's agricultural, manufacturing and service sectors.

As one of four health and safety associations operating under the Health & Safety Ontario banner, WSPS is a trusted advisor to businesses, large and small, seeking to boost productivity and profitability by reaching zero work-related injuries, illnesses and fatalities.
